Dear Ms. Stuchlik,

This is a letter of reference for Mr. Alex Hayes. Mr. Hayes worked for our firm during the summers while he was a business student at Northland College. He carried out a variety of office duties, including answering the phones, making appointments for clients, photocopying, and keeping track of and ordering supplies. Mr. Hayes brought to this job good organizational skills and an eagerness to learn. He is a responsible and reliable worker. Unfortunately, now that he is ready to work full time, we do not currently have any full-time positions that would suit his skills and goals. We enjoyed having him work here. **DOCTORS: GET READY FOR MEDICAL TOURISTS!**

In compliance with the government's official request, administration at Mount Deacon Teaching Hospital has increased the budget for advertising our hospital to international patients. This means we should expect more patients from abroad, mostly from the U.S. and Canada, but also from Europe, South Africa, Australia and other parts of the world. To date, we've admitted 3,160 tourists, and the hospital expects to see this number tripled in the next year. Please see the positive aspects of this change: The hospital will see an increase in the number of patients requiring less-commonly performed and therefore more interesting procedures, not just facelifts and nose jobs.
